To the Torah & the Testimony  
If anyone does not speak according to these words  
It is because they have no light in them.  
Yesh'yahu (Isaiah) 8:20; Revelation 12:17; 14:12

## The Cell Phone and the Immoral Woman

Like the immoral woman, men pay for her goods and seek her out daily. She is continuously on their minds as they seek to hear her voice.

Like sheep to the slaughter, they trust wherever she leads them. Even to bed they sleep with her – yearning to hear her voice in the night. Even while they sleep, they grope for her, seeking to awaken her power so that they may taste of her delicatesses.

Like a slave with a nose ring attached to a chain and led by their mistress, they pant for her next command and yearn like dogs for every stray crumb at her table.

Like a great harlot who sits on many waters, she offers her goods to all, and men throughout the earth are seduced by her.

Yeah, though her footsteps lead to hell, she leads them astray, and many strong men has she destroyed through her enticements.

Men listen for her intently, and every call from her they quickly answer. Yeah, her voice they will choose even over the voice of God. Yeah, though her presence is forbidden at summer camps and at schools, in church she reigns supreme – for before God's holy presence young men continuously bow and pay homage to her - and nobody stops them.

Where is the Pinchas of today to thrust through with the sword the immoral woman who dared to defile His sanctuary? Yeah, though the whole world watches, men remain silent.

Yeah, many strong men are taken by her lure and go down into her pit – never to return from where they, like their idols, perish... where they like their idols **will** perish.
